@arcandros

# *Small things, big things*

# *Complex things*

DevOps

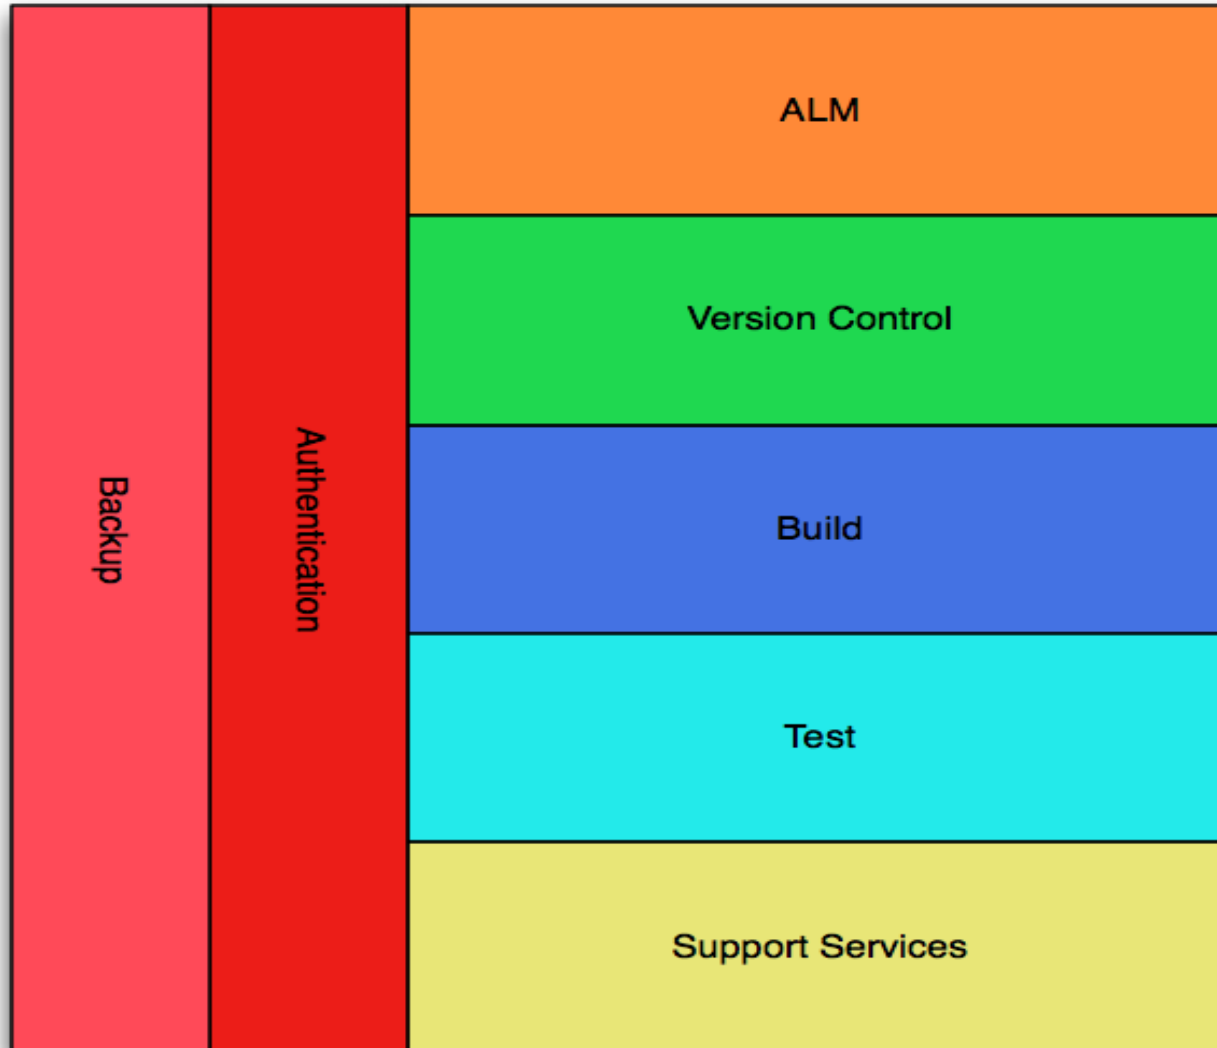

**You keep using that word**

**I do not think it means what you  
think it means.**

# Project Infrastructure

# COMMUNICATION

# *Weapons of choice*

Chef

& a good ops engineer

# *Development Infrastructure*

*Daily life:*

*3 C compilers, Java, C#, Ruby, 4 IDEs, 6 editors...*

*...on Windows :(*

# *Typical team exchange*

**CONSISTENCY**

# *Weapons of choice*

Rake

Vagrant

Chef

*Remember!*

COMMUNICATION

&

CONSISTENCY

=

SANITY PRESERVATION
